Description

Penthouse with terrace – Piazza De Angeli

A few steps from Piazza De Angeli, in a quiet side street we offer for sale a single-storey apartment in an elegant context with concierge.

The apartment is located on the fifth and top floor with double entrance. The spaces are currently distributed as follows:

Large living area with dining area and view onto the balcony

Eat-in kitchen with balcony and laundry room/service bathroom.

Two bedrooms, two bathrooms

A comfortable internal staircase leads to the sixth floor where there is the third bedroom with fireplace and access to the large terrace of approx. 130 m2. The property is completed by a cellar in the basement and the possibility of a garage inside the building with separate request.

The property requires internal modernization works. The rational cut of the floor plan allows the possibility of easily creating a fourth bedroom.
