Description

THIRD FLOOR APARTMENT – “SOHO” 13

We offer for sale an exclusive elegant apartment located on the third floor of the prestigious residential complex “The Manhattan”, which combines modern design, comfort and functionality in a refined and exclusive environment with a metropolitan touch.

The entrance leads to the bright living area, where a state-of-the-art open kitchen overlooks a large dining area, perfect for convivial moments. The adjacent relaxation corner, with fine finishes, is embellished by two large French windows that flood the room with natural light and offer direct access to the large 24 m2 balcony, ideal for outdoor lunches and dinners and moments of relaxation in company.
The sleeping area consists of three double bedrooms, each designed to offer maximum comfort. Two of them boast an en suite bathroom with luxury finishes and a New York-style corner, perfect for enjoying breakfast with a view or for working in a refined and cosmopolitan atmosphere. The third bedroom, equipped with a private balcony, enjoys an intimate and welcoming aura. A third modern bathroom with shower completes this area, ensuring practicality and style.

The apartment is part of a newly built residential complex that introduces an innovative housing concept in the Condhotel formula, allowing owners to benefit from a series of exclusive services typical of high-level hotel facilities. The apartments are part of a larger project that includes the nearby “Erika” hotel facility, offering residents the opportunity to use an indoor-outdoor swimming pool, a Finnish sauna, a fully equipped gym and all the comforts of the hall, including a bar, reception with doorman and a welcoming relaxation area with TV.
Covered parking available.

A unique opportunity for those who want a second home by the sea in a refined and contemporary environment, with the possibility of enjoying prestigious services in one of the most sought-after areas of Riccione, where luxury, well-being and quality of life blend into a single extraordinary residential experience.
