Description

LAZIO – VITERBO – CELLERE
ENTIRE BUILDING DIVIDED INTO THREE APARTMENTS WITH TERRACE

In the center of the ancient medieval village of Cellere, a small town in the Tuscia Viterbese, in the town square, an entire building of a total of 135 square meters, with a large terrace of 45 square meters.

The building is spread over four levels and houses three apartments, one on each floor, each with a surface area of approximately 45 m2.
The apartments are independent and connected by an internal staircase to the building. They are located on the ground, first and second floors and are all internally divided in the same way: a living room (which can become a second bedroom depending on the needs), a livable kitchenette, with access to the small balcony overlooking the woods, and a bathroom.
On the third floor, instead, there is a splendid and large terrace from which you can admire the entire village of Cellere, the surrounding hills and woods.

Depending on your investment needs, it is also possible to purchase just one of the apartments at a price of €18,000.00.
