Description

INDEPENDENT FOR TWO FAMILIES

Just minutes from the heart of Tuscania, and just 3 minutes from the picturesque Faul Valley, we present a property that exudes tranquility, space, and opportunity.

Nestled in a private setting and surrounded by nature, this detached two-level property is already divided into two living units: one is ready to move in, well-maintained, warm, and functional; the other requires complete renovation, a blank canvas where you can shape your dreams, customize each room, and create something truly your own.

Completing the property are two large warehouses, one approximately 60 square meters and the other 90 square meters, both fully windowed. These bright and versatile spaces are perfect for creative workshops, storage areas, ateliers, or for developing a business rooted in the land and tradition.

It's the ideal solution for two families who want to live close together but with the right amount of independence, or for those who dream of combining home and work, perhaps starting a project in the agricultural or artisanal sector, away from the chaos but just minutes from all services.

Here you don't just buy a house.

Choose a lifestyle of authentic silence, breathtaking sunsets, and the freedom to imagine your future exactly as you want it.
