Description

A few steps from the sea, in Località San Giorgio, we offer for sale two plots of land, one of 790 m2, the other of 660 m2. The two lots are adjacent, both are flat and intended for exclusively agricultural use; the 790 sq m lot is also delimited by a fence and driveway entrance gate. If you are looking for a small plot of land where you can create a vegetable garden and give vent to your passion for plants, these two opportunities are the ideal solution for you! It is specified that the advertising price of €18,000 is for each individual lot and not the total price.
