# Description

In the heart of the historic center, specifically on Via di Porta Castello, we offer for sale a 59 sq m warehouse with a driveway. The property, located on the ground floor of a stone-facade building, is located on one of the main streets of the ring road surrounding Tarquinia's historic center, a short distance from the Duomo della Santissima Margherita, Porta Firenze, the town's main entrance, and Palazzo Vitelleschi, home to the National Etruscan Museum. The warehouse has a floor space of 58 square meters and consists of a single space with a central column. It features a large entrance door, which also allows access by car, and multiple windows that allow for internal air circulation. If you're looking for a spacious space in a central location, this is the solution you've been waiting for!
