Description

Apartment for Sale “ Santa Liberata, Monte Argentario

A bright retreat between sea, nature, and tranquility

There are places that leave a lasting impression in their own unique way. Santa Liberata is one of them: a small cluster of homes surrounded by greenery, with the scent of the sea drifting gently through the air and the peaceful atmosphere of Monte Argentario embracing everything around it.

In this authentic and charming setting lies an apartment that is more than simply “a home” – it is a private world to experience and enjoy.

The entrance opens onto a spacious and welcoming living room, a space designed for slowing down and enjoying the soft natural light that fills the interiors throughout the day. The kitchen, comfortable and functional, is perfect for those who appreciate simple conviviality: spontaneous dinners, relaxed breakfasts, and moments shared with family and friends.

The sleeping area features two bright bedrooms, both with harmonious proportions and a calm, relaxing atmosphere. The two well-distributed bathrooms make the home practical and comfortable, ideal both for family living and for hosting guests.

A storage room completes the interior spaces, always a valuable and functional addition.

The balcony is one of those details that truly make a difference: a space to be fully enjoyed, whether reading a book, sunbathing, breathing in the fresh air of the Argentario coastline, or simply embracing the slow rhythm of nature.

Completing the property is a private parking space, an important added value in an area where convenience is highly appreciated.

This home is perfect for anyone seeking an elegant and authentic retreat in Monte Argentario, as well as for those wishing to spend long, peaceful periods surrounded by the beauty of the sea and nature.

An apartment that asks for nothing, yet gives back so much: light, serenity, and balance.
