Description

In the heart of the historic center of Spoleto, along the suggestive Corso Giuseppe Mazzini, we offer for sale a charming real estate unit located on the third floor.

The property, with great potential, has been completely renovated in the structure, while the interior spaces are still in their raw state, ready to be customized. It offers five spacious rooms, including a large hall characterized by elegant ceilings with wooden beams and tiles, which give an authentic and unique touch.

It is also possible to purchase the adjacent unit, thus opening up the possibility of creating a splendid large residence.
