Description

With a total area of 250 square meters, this spacious and airy penthouse offers all the space needed for a large family or for anyone who wants to live in a spacious and comfortable environment.

The property has an elevator, making it easily accessible even for those with physical disabilities. The interior of the penthouse has been renovated and is in excellent condition, with particular attention to detail and high-quality materials.

The penthouse comprises a separate entrance, a large living room with access to the terrace, as well as an eat-in kitchen, a study, two bedrooms and three bathrooms.

This allows for a separate sleeping area from the rest of the house, ensuring privacy and tranquility for every family member. The wooden window frames and doors are double-glazed for excellent thermal and acoustic insulation.

Furthermore, the property is equipped with an alarm system to ensure the safety of its residents. The penthouse is unfurnished, allowing you to customize the spaces according to your tastes and needs.

The spacious, eat-in kitchen is equipped with all the amenities needed to prepare delicious meals to be enjoyed on the terrace, a large outdoor area perfect for relaxing in the fresh air. The penthouse also features a double garage, ideal for those with two vehicles or those looking for a secure, covered parking space.

Additionally, an additional uncovered parking space is also available. The heating is centralized with a heat meter, allowing for more rational management of consumption and payment only based on actual consumption.

This penthouse for sale is ideal for those seeking a prestigious home in a central and well-served area, offering space, comfort, and security.

Its three-sided exposure (south-west-north) guarantees good brightness at all times of the day, making it a pleasant and welcoming environment.
