Description

We offer for sale a wonderful detached villa in Agropoli, with a breathtaking panoramic view of the sea. This splendid residence is spread over two levels, with a total area of approximately 300 m2, or 150 m2 per floor.

The first floor houses a spacious living room with fireplace and an eat-in kitchen, four bedrooms, a study, two bathrooms and balconies with sea view, which are connected to the garden via an external staircase.

On the ground floor, however, you will find a large storage room, connected internally to the first floor via a dedicated staircase. This feature makes the villa even more functional and practical.

Outside, the villa offers an area of about 600 m2, partly paved and partly garden, also with a breathtaking view. Here you can spend pleasant moments in the open air and admire a unique panorama.

With its generous dimensions, this villa offers the possibility of being divided into two separate solutions, allowing you to customize the spaces according to individual needs.
