Description

Trullo immersed in the Apulian countryside 4.5 km from Francavilla Fontana, in a quiet but inhabited context. Accessible via a private gate, the property extends over a 12,709 m2 plot of land, cultivated with olive trees with good oil productivity.

The trullo, in need of renovation, retains its original central cone and two large alcoves, offering the ideal foundation for a restoration project faithful to tradition but with all modern comforts.

The atmosphere is private and peaceful, ideal for those wishing to create their own home surrounded by greenery or build a rental property, taking advantage of the strategic location between some of Puglia's most beloved destinations. Ostuni, the famous White City, is just a few minutes' drive away, as are Ceglie Messapica, renowned for its gastronomy, and Grottaglie, famous for its artisanal ceramics. Brindisi Airport can be reached in about 30 minutes, while Bari Airport is approximately 120 km away.

Contact our offices for further information or to request a visit to the property.
