Description

PUGLIA – MINERVINO MURGE – CORSO GIACOMO MATTEOTTI

Warehouse for sale in Minervino Murge: Strategic opportunity on Corso Giacomo Matteotti

Along the prestigious Corso Giacomo Matteotti, in the vibrant and historic heart of Minervino Murge, we offer a rare investment opportunity for those seeking functional and versatile space in a prime location. This warehouse for sale, located on the ground floor of a period building with timeless charm, is the ideal solution for those seeking a logistics hub or storage space in one of the most accessible and visible areas of the village. Its location is undoubtedly its main selling point: being on the town's main street means unparalleled ease of maneuver and logistical convenience, making every daily operation simple and straightforward, for both private and professional needs.

The property currently presents itself as an authentic and solid space, nestled within an architectural context that reflects local history and guarantees the robust structure typical of historic buildings. Being completely in need of renovation, this space offers the prospective buyer complete freedom to redesign the interior spaces according to their specific technical and functional needs. Whether creating a state-of-the-art technical warehouse, a tidy storage area for a neighboring business, or a private workshop, the space's layout lends itself to a radical and customized transformation. The ability to modify the systems and finishes maximizes the efficiency of the space, transforming a period space into a modern and perfectly organized resource.
