Description

PUGLIA – NOICATTARO (BA) – DISTRICT OF BARI CUPS

We offer for sale a large commercial land of approximately 51,000 square meters, located in a strategic position in the Parchitello area, near Torre a Mare (Bari), with excellent visibility facing SS16 Adriatica. Inside the property, a surface area of approximately 34,000 square meters is buildable, making the land ideal for commercial, logistical or directional developments.

A convenient underpass has recently been built that directly connects the land to the town of Torre a Mare, ensuring quick access to the state road and excellent road connections. The lot is flat, easily accessible and already served by the main road. There is also an existing agricultural warehouse within the property.

The location, highly visible and in a rapidly developing area, represents a unique opportunity for investors and companies interested in building commercial structures, retail parks, logistics hubs, business centers or hospitality businesses.

For more information, technical documentation and site visits, contact us.
