Description

Prestigious penthouse and super-penthouse for sale in San Siro, Milan

In the exclusive San Siro area of Milan, we offer for sale an elegant penthouse and super-penthouse featuring spacious living spaces, bright rooms, and an extremely versatile layout.

The entrance leads to a unique reception room, harmoniously divided into a living area, dining area, and eat-in kitchen, creating a scenic and convivial atmosphere.

The main floor features four bedrooms, one with a walk-in closet, and four bathrooms, two of which are en suite while the others are accessed from a hallway. A large wraparound balcony surrounds the entire floor, providing natural light and seamless continuity between the interior and exterior.

The upper floor, used as a super-penthouse, houses additional independent and multifunctional spaces: there are three bedrooms, two bathrooms, two kitchenettes, additional accessory rooms and a storage room, making this level also ideal for guests or dedicated private spaces.

The property includes two garages of approximately 15 m2 each.

The property is located in an elegant and private residence, served by a double elevator, concierge, and double entrance, as well as well-maintained common green areas that contribute to a tranquil and high-quality living atmosphere, in one of Milan's most renowned and private residential areas.
