Description

Two-level penthouse with large panoramic terraces

We offer for sale a charming penthouse of approximately 150 square meters, spread over two levels and located on the top floor of a building served by a lift, in a private and bright setting.

The main area is on the second floor, consisting of a bright living area with dining area and kitchenette, which opens onto the terrace, ideal for relaxing or entertaining outdoors.

The sleeping area includes two well-proportioned bedrooms, two bathrooms, and ancillary rooms that make the home practical and comfortable.

The upper level hosts another large living area, a versatile space perfect as a relaxation area, study, or guest area, connected to the panoramic terraces that surround the property and enhance its livability.

The bright and private outdoor spaces are the property's true strength, creating a pleasant continuity between interior and exterior and offering the opportunity to enjoy the home in every season.
