Description

900 m² building plot in the center of Lonato del Garda – possibility of a project or adjacent rustic house

In a central location approximately 650 meters from the main square, we offer for sale a building plot of approximately 900 m².

The flat, well-exposed land is ideal for building a custom-built, detached villa with large private outdoor spaces in a secluded setting yet convenient to all amenities.

The size and location, rare in the town center, allow for the development of a quality housing project, with particular attention to brightness and livability, thanks to the favorable exposure.

Just steps from the historic center and nestled in a quiet setting, the lot offers the perfect balance between privacy and accessibility, a feature highly appreciated by international clients.

There is also the option of evaluating the purchase of the adjacent building, already in an advanced state of rustication, for those seeking a solution with an existing structure to complete.

An ideal solution for those looking to build a primary or secondary residence, as well as for those seeking a real estate investment in one of the most sought-after areas of Lake Garda.

Possibility of support in design and implementation.
