Description

LA PILA – In the heart of La Pila, we offer for sale a characteristic apartment, in excellent condition and ready to be moved into.

The property is entirely on the first floor and opens onto a large and welcoming living area with an open-plan kitchen, finely furnished and well-organized.

The sleeping area consists of a double bedroom and a single bedroom.

In keeping with one of the typical features of the village’s homes, the bathroom is located on the private enclosed landing in an adjoining space, and is for the exclusive use of the owner: a unique solution that preserves the authentic and traditional character of the village.

Equipped with inverter air conditioning and wood stove.

The property includes a convenient private storage room under the stairs, which also houses the washing machine.

Thanks to its central location, excellent internal conditions, typical village atmosphere, and heating, the property is ideal as a year-round residence, a holiday home, a base, or an attractive investment opportunity.
