Description

In Marina di Pietrasanta, about 800 meters from the sea, we offer for sale a detached villa of generous size, divided into staggered floors and located on a plot of about 600 square meters.

On the raised ground floor there is access to a large living room very bright, thanks to the large windows, with adjacent dining area and eat-in kitchen with pantry. On the ground floor, at garden level, we find a bathroom, a utility room and double garage.

The first floor hosts three bedrooms, two bathrooms and two balconies.

The villa is surrounded by a garden on four sides, with space for internal parking spaces.

The villa internally needs to be modernized.
