Description

Coldwell Banker offers for sale a building plot in Vittoria, located in a residential area at the entrance to Vittoria, along Strada per Scoglitti, well served by shops and major services.

With a cadastral area of 300 square meters, the plot falls within a building zone according to the current Municipality's General Planning Scheme and is intended for the construction of a residential building with a building index of 5 cubic meters/square meter, offering a wide range of design possibilities. The land, easily accessible from the main road, enjoys excellent sun exposure and is ideal for the construction of a modern and functional residential solution, close to all necessary amenities, easily accessible without the use of public transport. Available upon deed.
