Description

Tuscolana Giulio Agricola – Piazza San Giovanni Bosco

In a central and well-served location, just a few steps from Metro Line A (Giulio Agricola stop) and close to the greenery of the Parco degli Acquedotti, our agency offers for sale an apartment located on the seventh and top floor, featuring excellent natural light and open views.

The property, set in a building with concierge service, requires renovation and is currently composed of: entrance hall, living room, eat-in kitchen, double bedroom, balcony, and cellar.

Thanks to its generous size and well-organized layout, the apartment also offers the possibility of being easily converted into a three-room apartment, further enhancing its potential.

The area is highly appreciated for its wide range of amenities, including schools, bars, restaurants, and all essential services, as well as excellent connections to the city center via metro.

In the immediate vicinity of the building, there are also electric vehicle charging stations, an increasingly sought-after added value.

An interesting solution both for those who wish to customize their own home and for investors, young couples, professionals, or small families looking for a property in a dynamic urban setting with the added benefit of nearby green spaces.
