Description

PROPERTY DESCRIPTION

This prestigious residence, immersed in the enchanting Umbrian landscape near Passignano, offers an unparalleled panoramic view of Lake Trasimeno.

Divided on two levels, it features two independent real estate units, both developed on two levels, ground floor and first floor.

The main unit comprises four bedrooms, four bathrooms, a gourmet kitchen, and a double living area, one of which features a fireplace that contributes to a warm and harmonious atmosphere, as well as a small study. The large windows offer breathtaking views, a postcard-like view of the lake and its surroundings in ever-changing colors.

The second accommodation, more intimate and cozy and perfect for hosting relatives or friends, offers two bedrooms, two bathrooms, a well-equipped kitchen and a welcoming living room.

STATE AND FINISHES

The property's renovation, completed in 2017, was meticulous. Every detail was masterfully crafted, from the choice of materials to the high-quality finishes that give the villa a timeless character.

Environmental awareness and energy efficiency are a concrete commitment, highlighted by two heat pumps, 8 kW of photovoltaic panels with 6 kW of storage, and three solar panels for domestic hot water. This home embraces renewable energy as an art form, preserving the site's natural beauty and contributing to a sustainable future.

A touch of innovation is added with Volbox electric car charging. Finally, security is ensured by a three-camera video surveillance system, which discreetly monitors this luxurious oasis, ensuring safety and protection.

OUTDOOR SPACES

Outside, the magic continues with a 72-square-meter panoramic swimming pool that seems to merge with the lake below. A pleasant barbecue area serving the pool is located in the 7,000-square-meter fenced garden. The property also boasts approximately 1.5 hectares of surrounding land. 150 olive trees lend the setting an authentic Umbrian touch.

PANORAMIC POOL WITH LAKE VIEW

The swimming pool, located in a panoramic position thanks to its elevated position, offers splendid views of Lake Trasimeno and the surrounding valley. It is also surrounded by a pleasant Italian garden with trees and plants that greatly elevate the entire property.
